## **USER GUIDE:**

# **VET Practitioner Resource**

## About this guide

The aim of this guide is to provide an overview of the VET Practitioner Resource. This guide covers:

VET Practitioner Resource .....	2
• Navigating around the VET Practitioner Resource .....	3

# VET Practitioner Resource

The [VET Practitioner Resource](#) draws on VOCEDplus, NCVER products and external links to present a range of information designed to support VET practitioners in their work and in undertaking research. The resources are presented under three sections: Teaching, training and assessment resources; Practitioners as researchers; and The VET workforce.

## VET Practitioner Resource

The VET Practitioner Resource draws on VOCEDplus, NCVER products and external links to present a range of information designed to support VET practitioners in their teaching and assessment practice and in undertaking research.

[Guide to navigating the VET Practitioner Resource](#)

The VET Practitioner Resource is a living resource that NCVER continues to develop and update on an ongoing basis. [Feedback and suggestions](#) for content are most welcome.

### Teaching, training and assessment resources

Find information and resources that aim to support practitioners in their daily work.

### Practitioners as researchers

Browse information and resources for undertaking action research associated with current teaching practice or a funded research project.

### The VET workforce

Discover information and resources about the size and profile, work life, and professional development needs of the VET workforce.

The material published on this resource is intended for general information only and is not legal advice or other professional advice. NCVER is not responsible for the content of any third-party website to which links are provided from this resource. NCVER does not endorse or control these websites and cannot guarantee that material on those sites is in all respects accurate, complete and current.

Further information about [Conditions of Use](#).

The VET Practitioner Resource is available at: <https://www.voced.edu.au/vet-practitioner-resource>, and can be accessed from the 'Our resources' section on the home page, and from the 'Resources' menu heading.

 **VET Practitioner Resource**

The VET Practitioner Resource draws on VECEDplus, NCVER products and external links to support VET practitioners in their teaching and assessment practice and suggestions for content are most welcome.

Guide to navigating the VET Practitioner Resource

The VET Practitioner Resource is a living resource that NCVER continues to develop and update. Your suggestions for content are most welcome.

- Focus on...
- Glossary of VET
- Pod Network
- Special Collections
- Statistical Resources
- Timelines
- VET Knowledge Bank
- VET Practitioner Resource**

**Navigating around the VET Practitioner Resource**

The VET Practitioner Resource logo appears on all the VET Practitioner Resource pages. Click on the logo to return to the VET Practitioner Resource homepage.

 **VET Practitioner Resource**

Some of the VET Practitioner Resource sections contain multiple resources in them. These are provided as links on the 'parent' pages and 'breadcrumbs' are provided on the individual resources pages to navigate back to the parent page.

### Example

The '**Teaching, training and assessment resources**' (parent) page, presents links to information and resources to support practitioners in their daily work, divided into six sections:

- Assessment
- Curriculum/training content
- Foundation skills
- Inclusive education and training
- Regulation
- Teaching and learning.

When selecting the 'Assessment' link, for example, the page will display a breadcrumb at the top of the page, allowing navigation back to the 'Teaching, training and assessment resources' (parent) page:

 **VET Practitioner Resource**

**Teaching, training and assessment resources > Assessment**

Resources on this page are a mix of free and for purchase and are categorised as '**research**' or '**focus on practice**'. All resources listed are Australian in origin unless otherwise labelled.

Click on the following topics to access resources:

- [Competency based training and assessment](#)
- [Recognition of prior learning](#)
- [Portfolios and e-portfolios](#)
- [Work placements](#)
- [Related VOCEDplus resources](#)

**Good to know:** the [Guide to navigating the VET Practitioner Resource](#) shows the structure of the VET Practitioner Resource.
